REMARKS

The claims have been amended to conform with the rules of practice before the U.S. Patent and Trademark Office. Note that the original claims are taken as the claims as amended under Article 19. The specification has been amended to recite the International Application and priority application. The word "CLAIMS" has been deleted and substituted by "WHAT IS CLAIMED IS" so that subsequently appearing claims will be the object of a sentence as specified by M.P.E.P. section 608.01(m). As a result of this preliminary amendment, Claim 23 has been added and Claims 2-20 and 22 have been amended. Accordingly, Claims 1-23 are presented for examination. No new matter is being added herewith.
